[15:05] vellaγna uπισoγn™ (adabellagwen): because the timer ran out

[15:05] SamanthaPrater: if her word was at ALL true?

[15:05] SamanthaPrater: get a grip, report her.

[15:05] bellayina uncoяn™ (adabellagwen): just like anyone else ever banned per a time limit to take "suspension time"

[15:05] Ελλα Ροσάλη St. Слаяе (elairea): that is a great question Sam, why WOULD they unsuspend you?

[15:10] vellaaylna unıcoяn™ (adabellagwen): like seriously this girl is off her rocker insane

[15:11] SamanthaPrater: she'll keep doing it if you dont:/

[15:11] Lelila Starsider (alyciastarsider): Is that a threat?

[15:11] Astra (astrahlynn): The only person I reported so far is you, Sam.

[15:11] vellaaylna unıcoяn™ (adabellagwen): plus trust me she will do it regardless if i block or not

[15:11] Astra (astrahlynn): STFU

[15:12] bellaylna uncoяn™ (adabellagwen): that is only proof to perma ban you not me

[15:12] SamanthaPrater: I'll discredit her soon enough/.

[15:12] Gaea Oακleaf Αμανté (gaea.oakleaf): Bella, legally she does not have a leg to stand on, regarding any legal issues here or in the real world. In fact, it's the other way around. She claims she is a law student but in order to be one, she would need to be registered to an accredited school for that. She isn't. It's a conservatory that she has been naming, which does not teach. She's been lying about that as well. She does use Google diploma often though, which makes sense with all the misinformed and erroneous statements she has made.

[15:12] bellaylna uncoяn™ (adabellagwen): I know she doesnt lol

[15:13] bellaylna uncoяn™ (adabellagwen): thats why its so damned funny

[15:13] SamanthaPrater: do I have enough?

[15:13] EUDORA MOON (pastelbunny): all she can do is plead insanity

[15:13] SamanthaPrater: pretty much

[15:13] bellaylna uncoяn™ (adabellagwen): she doesnt even get her own claims of medical correct for behavior vs condition

[15:13] bellaylna uncoяn™ (adabellagwen): you dont have anything

[15:13] SamanthaPrater: just block her and report.

[15:13] bellaylna uncoяn™ (adabellagwen): cos I have done nothing lol

[15:13] Steph (stephpokie): Hehehe

[15:13] SamanthaPrater: #JUSTICE IS SWEET.

[15:13] SamanthaPrater: Now, can we all play nice with Sam and get to know me some?

[15:13] Ms. Patrice Xyshay (xyshay): silence is sweeter

[15:14] bellaylna uncoяn™ (adabellagwen): is this like you screaming on forum getting me banned and cops etc and then LL banning you?

[15:14] SamanthaPrater: I'd love to meet you both and all.

[15:14] bellaylna uncoяn™ (adabellagwen): that was entertaining

[15:15] SamanthaPrater: Bella being disproved as a liar.

[15:15] bellayina uncoяn™ (adabellagwen): so literally your proof is a texture of me commenting on bubbles, your name not listed anywhere or about you?

[15:15] Ms. Patrice Xyshay (xyshay): I usually don't deem a lack of dick for a woman's problems but I honestly think an orgasm would help this lady

[15:15] sαcα forsaken (chibidragon007): providing entertainment

[15:15] sαcα forsaken (chibidragon007): LMFAO

[15:15] bellayina uncoяn™ (adabellagwen): child ...

[15:15] bellayina uncoяn™ (adabellagwen): lol

[15:15] sαcα forsaken (chibidragon007): Honestly I don't think anyone with a dick would stick it in her crazy

[15:15] SamanthaPrater: not me, I orgasmed the other day;)

[15:15] bellayina uncoяn™ (adabellagwen): saya remember in discord someone asked who was bubbles and i commented she was jus a troll etc

[15:16] SamanthaPrater: Bella is so angry at the world.. so un becoming of a lady. tsksk.

[15:16] bellayina uncoяn™ (adabellagwen): apparently sam took a screenshot of that and somehow that is proof im harrasing her

[15:16] Ms. Patrice Xyshay (xyshay): if I had a dick she couldn't get it hard

[16:32] SamanthaPrater: *you*

[16:32] Sky Acer: There is standing up for yourself then there is digging your own grave and making yourself look worse. At this period of time you only have yourself to blame on how people see you. So the victim card is invalid

[16:32] LITTLE EVE VARDIS (katevangeline): the hilarious part..most of the people she has beef with..i believe aren't even active on sl anymore. As it was 3-4 yearas ago.

[16:32] SamanthaPrater: SHSHSHSH

[16:32] SamanthaPrater: im gettijing to the point.

[16:33] SamanthaPrater: trust me.

[16:34] LITTLE EVE VARDIS (katevangeline): And she can't keep the story straight.

[16:34] SamanthaPrater: *Any*,

[16:34] Sky Acer: She is mentally unwell and should get help

[16:34] SamanthaPrater: I WILL NOT ALLOW THIS CHAT TO ATTACK ME ANYMORE

[16:34] LITTLE EVE VARDIS (katevangeline): Spamming groups on facebook with 4 different rl profiles, spamming groups on sl. being banned from sl twice, the most recent bc of an outburst on the forums that even LL was like "yo, time out"

[16:35] SamanthaPrater: HATE ME GO TO A FORUM,SHUT Up.

[16:35] Astra (astrahlynn): Shut up SAm

[16:36] SamanthaPrater: I WILL NOT LET THE USERS OF VIRTUAL-SECRETS.COM USES THIS AS A SPECIFIC ATTACK TARGET ANY MORE; HATE ME STAY ON YOU'RE SITE, GET OUT OF MY FACE.

I AM WORTH IT.

I AM FAIRLY SMART. ❤️

[16:36] LITTLE EVE VARDIS (katevangeline): There's a block button for a reason, and they won't say it so coldly, but that's pretty much the answer.

[16:36] Sky Acer: She is crazy not stupid. She wont be banned. She knows her game

[16:36] bellayina unisoya™ (adabellagwen): still at it?

[16:36] bellayina unisoya™ (adabellagwen) noms taco bell

[16:36] LITTLE EVE VARDIS (katevangeline): Unless she goes off on forums again, or just in general they get annoyed with the massive amount of reports against her..she won't be banned.

[16:36] SamanthaPrater: :)

[16:36] SamanthaPrater: let me chase them out.

[16:37] November Παλαγγα ☹️ ἡλσ (guiltycrowninori): reported for spam

[16:37] LITTLE EVE VARDIS (katevangelina): idk, posting your state id with all information on it to facebook on sl groups is kinda effing dumb

[16:37] bellaylna unicorn™ (adabellagwen): you arent worth it lol thats jus it nobody here cares

[16:37] bellaylna unicorn™ (adabellagwen): and nobody here owns virtual secrets

[16:37] bellaylna unicorn™ (adabellagwen): and virtual secrets isnt SL

[16:37] LITTLE EVE VARDIS (katevangelina): share some taco bell Bella

[16:37] bellaylna unicorn™ (adabellagwen): i would if granbaby didnt steal my taco lol

[16:38] LITTLE EVE VARDIS (katevangelina): legit the only way to get her to shut up, is block her. then she rants to herself.

[16:38] LITTLE EVE VARDIS (katevangelina): and nobody can engage her

[16:39] LITTLE EVE VARDIS (katevangelina): bc nobody sees her

[16:39] bellaylna unicorn™ (adabellagwen): I know but isnt bothering me thats just it lol

[16:39] bellaylna unicorn™ (adabellagwen): I am not annoyed and not upset

[16:39] bellaylna unicorn™ (adabellagwen): I am entertained at the extreme range of delusional insanity

[16:39] Sky Acer: I watch car races for the car crashes. Im fine with watching her ruin herself. Doesnt mean I dont feel sorry for her

[16:39] LITTLE EVE VARDIS (katevangelina): I don't even feel sorry for her because she legitimately brings it on herself.

[16:40] bellaylna unicorn™ (adabellagwen): I have never met anyone that it is not locked up to be as off her rocker as she is unchecked

[16:40] bellaylna unicorn™ (adabellagwen): I dont feel sorry for her. I might have in the beginning but my ability for pity is pretty low.

[16:40] LITTLE EVE VARDIS (katevangelina): I think I might have felt sorry for about 3 seconds

[16:40] LITTLE EVE VARDIS (katevangelina): when i first joined

[16:40] LITTLE EVE VARDIS (katevangelina): like everyone that tries to talk sense into her

[16:41] LITTLE EVE VARDIS (katevangelina): That quickly evaporated.

[16:41] bellaylna unicorn™ (adabellagwen): I dont think Ive ever actually tried lol

[16:41] bellaylna unicorn™ (adabellagwen): You cant talk sense into that

[16:41] LITTLE EVE VARDIS (katevangelina): no. you can't

[16:41] bellaylna unıcoяn™ (adabellagwen): you cam medicate it, you can lock it away .. but thats about it

[16:41] Sky Acer: No its pointless trying to help her. She can only do that herself

[16:42] bellaylna unıcoяn™ (adabellagwen): she cant do it for herself either

[16:42] bellaylna unıcoяn™ (adabellagwen): her lvl can only be helped by a 3rd party in her rl

[16:42] LITTLE EVE VARDIS (katevangeline): maybe with some intensive therapy...and removal of all things that trigger. Even alcoholics can be rehabilitated.

[16:42] SamanthaPrater: Trust me ya'll.

[16:42] SamanthaPrater: this will be worth it:)

[16:43] bellaylna unıcoяn™ (adabellagwen): someone else will have to forcefully remove everything from her, force high doses medications and force her out of society into locked wards for control and behaviorial modification therapy

[16:45] bellaylna unıcoяn™ (adabellagwen): slight problem with triggers Eve .. she triggers herself ..

[16:45] LITTLE EVE VARDIS (katevangeline): this is true

[16:46] bellaylna unıcoяn™ (adabellagwen): I have no doubts she could sit in a padded control room .. and still trigger herself in mania

[16:46] LITTLE EVE VARDIS (katevangeline): just from her own delusions

[16:46] bellaylna unıcoяn™ (adabellagwen): yups

[16:47] bellaylna unıcoяn™ (adabellagwen): I mean you can tell, she actually 100% believes all of them. even though they change 180 in realities within 5mins

[16:48] LITTLE EVE VARDIS (katevangeline): oh i don't don't that she doesn't believe it. Anyone that can stick to this level of crazy so diligently and doggedly...phew..
