[01:44] SamanthaPrater: why would I rant and rave?

[01:44] SamanthaPrater: I was warning you.

[01:45] Katja (vikingdream): Yeah.... SL got SOLD to another company... there are changes to the payment methods... The thing is... Linden Labs ALWAYS has EVERYONE'S passwords... and emails... WE GIVE IT TO THEM TO CREATE OUR ACCOUNTS. So yes, they have that information... they don't need to ask for it, and no one that works for linden labs ever WILL. If someone is giving their info away, they're just stupid.

[01:45] SamanthaPrater: if LL has a back log of the accounts?

[01:45] SamanthaPrater: HELLOOOOOOOOOOOOOOO

[01:45] SamanthaPrater: ..

[01:45] SamanthaPrater: ya'll owe me to at least clean my name.

[01:48] SamanthaPrater: I didn't know what it was about

[01:48] SamanthaPrater: now I do.-

[01:49] SamanthaPrater: Why would I refuse to join any new sims?

[01:49] Zahra Zaweei (karazu1kun): So you just want people to watch out for and keep their passwords and such secure, right?

[01:49] SamanthaPrater: YES

[01:49] Zahra Zaweei (karazu1kun): ok

[01:50] SamanthaPrater: I am trying

[01:50] Zahra Zaweei (karazu1kun): keep calm

[01:50] SamanthaPrater: but people think i'm nuts.

[01:50] Zahra Zaweei (karazu1kun): slow it down

[01:50] SamanthaPrater: im trying.

[01:50] SamanthaPrater: You realize.

[01:50] Zahra Zaweei (karazu1kun): I thank you for the warning, it's good to not let passwords stagnate

[01:50] SamanthaPrater: I've had to do this for three days prior?

[01:50] Zahra Zaweei (karazu1kun): no

[01:50] Zahra Zaweei (karazu1kun): this is the first ive heard of it, and im tired as fuck

[01:52] SamanthaPrater: please, believe me.

[01:52] Ētērñītŷ ŘązōR (eternity.moorlord): instead of sitting here crying wolf do something about it

[01:52] SamanthaPrater: Eternity

[01:52] SamanthaPrater: I will boot you the second you report another NEGATIVE response.

[01:52] Zahra Zaweei (karazu1kun): Well the best way to make sure that the word gets out there about it, is to calmly lay out the fears and that there's a big hacker thing targetting LL and that people should make sure their info is secure

[01:52] SamanthaPrater: CHANGE YOUR DAMNED PASSWORD.

[01:52] Zahra Zaweei (karazu1kun): and have those you tell tell others of their own friends

[01:53] SamanthaPrater: it got to the point I was banned from everything I could've STOPPED it in Nuvaria.

[01:53] Zahra Zawieii (karazu1kun): well then you did what you could, the ball is in their court

[01:53] Katja (vikingdream): Listen... I don't think anyone here thinks you're a child predator... They think you're a little crazy... but not someone that hurts kids... so go get yourself a stiff drink... or three... and take your happy ass to bed. It's 5--fuckin AM.

[01:53] SamanthaPrater: you all really need to wake up.

[01:53] SamanthaPrater: I slept all day lady(sir?)

[01:53] Zahra Zawieii (karazu1kun): if you were doing this same thing im seeing here, then i can see why they felt the need to remove you
